Main Campus:

209-7420 Airport Road,  
Mississauga, ON L4T 4E5  
Canada

**COURSE DETAILS**

The course aims to introduce and familiarize students to the format and content of Academic or General Training IELTS with the intent of seeking quantitative and measurable growth. The course equips students with effective skills and strategies needed to undertake the Academic or General Training IELTS test with confidence by providing material for practice in all areas of the test. Focus is laid on the needs of each student and the students' understanding of the usage of English language as opposed to learning 'rules'.

**CURRICULUM**

1. Introduction to the test: Listening, Reading, Writing, Speaking
2. Essential grammar
3. Listening section techniques and practice
4. Reading section techniques and practice
5. Writing section techniques and practice
6. Speaking section techniques and practice
7. Grammar and vocabulary improvement
8. Sentence structure, punctuation, and pronunciation corrections

**CAREER PROSPECTS**

The IELTS Academic test is required to apply for higher education or professional registration. The IELTS General Training test is required to migrate to Australia, Canada and the UK, or to apply for secondary education, training programs, and work experience in an English-speaking environment.
