

- Using the * statement
- Expanding your search with the Like operator
- Using IN and NOT IN with subqueries
- Creating a form and changing view
- Changing the title bar text with the Caption property
- Creating the basic form
- Creating reports in a MS Access database
- Hiding repeating information

Here's what you get

13. Post-Assessment

After completion of the uCertify course Post-Assessments are given to students and often used in conjunction with a Pre-Assessment to measure their achievement and the effectiveness of the exam.
